

ISC Audits & Reviews SC Summary March 2015

#	Document Title	Results
5485	New Standard: Guide for Incoming/Outgoing Quality Control and Testing Flow for 3DS-IC Products	Passed
5688	New Standard: Guide For Overlay Performance Assessment For 3DS-IC Process	Failed
5780	Reapproval of G75-0698 (Reapproved 0706) Standard Test Method of the Properties of Leadframe Tape	Passed
5781	Reapproval of G75.01-0698 (Reapproved 0706) Test Method for Measurement of Ionic Impurities in Leadframe Tape	Passed
5782	Reapproval of G75.02-0698 (Reapproved 0706) Test Method for Measurement of Adhesive Strength of Leadframe Tape	Passed
5783	Reapproval of G75.03-0698 (Reapproved 0706) Test Method for Measurement of The Peel Strength of Protective Film on Leadframe Tape	Passed
5784	Reapproval of G75.04-0698 (Reapproved 0706) Test Method for Measurement of Water Absorption of Leadframe Tape	Passed
5785	Reapproval of G75.05-0698 (Reapproved 0706) Test Method for Measurement of Weight Loss of Leadframe Tape	Passed
5786	Reapproval of G75.06-0698 (Reapproved 0706) Test Method for Measurement of the Shrinkage Factor of Leadframe Tape	Passed
5787	Reapproval of G75.07-0698 (Reapproved 0706) Test Method for Measurement of Thermal Decomposition Temperature of Leadframe Tape and Adhesive	Passed
5788	Reapproval of G75.08-0698 (Reapproved 0706) Test Method for Measurement of the Coefficient of Thermal Expansion and Glass Transition Temperature of Leadframe Tape	
5789	Reapproval of G75.09-0698 (Reapproved 0706), Test Method for Measurement of Tensile Strength, Elongation, and Tensile Modulus of Leadframe Tape	Passed
5790	Reapproval of G75.10-0698 (Reapproved 0706) Test Method for Measurement of Volume and Surface Resistivity of the Leadframe Tape	Passed
5791	Reapproval of G75.11-0698 (Reapproved 0706) Test Method for Measurement of the Dielectric Constant and Dissipation Factor of the Leadframe Tape	Passed
5792	Reapproval of G75.12-0698 (Reapproved 0706) Test Method for Measurement of Breakdown Strength of Leadframe Tape	Passed
5793	Reapproval of G75.13-0698 (Reapproved 0706) Test Method for Measurement of the Leakage Current in Leadframe Tape	Passed
