Press releases and other information posted on this site are current only on their original publication date. Information may now be outdated or inaccurate due to passage of time or material changes in facts and circumstance.

If info is available in English, usually there's a link to information in English. However, for some companies, the most up-to-date article is in Japanese; also some companies do not have English info available.

In either case, for the most current information, it is often best to click on the Japanese website link and then "cut and paste" text into the Google translator at <http://translate.google.com/>
