MEMBERSHIP BENEFITS

SEMI SPEEDS THE TIME TO BETTER BUSINESS RESULTS FOR ITS MEMBERS ACROSS THE GLOBAL ELECTRONICS MANUFACTURING SUPPLY CHAIN

SEMI is the global trade association that connects and represents the worldwide electronics manufacturing supply chain. Through its programs, communities, initiatives, market research, and advocacy, SEMI informs and coordinates its members and the industry, cultivates collaboration, drives action, and synchronizes innovation to speed business results.

SAVE TIME AND MONEY
Make smarter business decisions by connecting to SEMI’s global network of experts, information, and events while enjoying preferred pricing on products and services including exhibit space, event registration, sponsorships, advertising, market data reports, and industry standards.

GROW YOUR BUSINESS AND BUILD YOUR BRAND
From participating at one of our more than 180 exhibitions and events, to engaging our technology and business communities, SEMI membership enables you to explore new markets, identify business opportunities, and connect to decision-makers and industry leaders across the electronics manufacturing supply chain.

GAIN INSIGHTS
SEMI members get early and exclusive access to trusted business and technical content, including market data and analysis, conference proceedings and presentations, and subject matter experts from around the world.

SHAPE POLICIES THAT AFFECT YOUR BUSINESS
As a SEMI member, you contribute to a collective voice of the industry that champions policies (including tax and trade), influences development of regulations (including environment, health, and safety), and promotes workforce development and education initiatives that benefit your company and employees.

NETWORKING
SEMI membership connects you to a global community of professionals looking to collaborate, innovate, grow, and prosper together. Find new customers, engage partners, and identify new opportunities worldwide.

INFLUENCE TECHNOLOGY AND INDUSTRY GROWTH
Whether as a participant in our technology communities helping craft technical programs and industry roadmaps, or as a volunteer helping create and improve industry-accepted standards, as a SEMI member you can help drive the electronics industry forward by solving challenges collectively.

GLOBAL REACH
With SEMI offices and staff in every major electronics manufacturing region, no other electronics industry association has the global reach and depth to connect companies and people across the supply chain and around the world.

MEMBERSHIP BENEFITS

MEMBERSHIP INFORMATION

Membership classification and dues are based on combined annual sales revenues in these and other advanced technology supply chain areas.

CORPORATE MEMBER

Suppliers of equipment, materials, sub-assemblies, components and industry specific support products, and services to semiconductor, display, MEMS, LED, flexible hybrid electronics and related industries.

ASSOCIATE MEMBER

Companies that design, manufacture, sell, distribute, or use semiconductor devices, displays, and related microelectronics are in this category. This includes, but is not limited to, integrated device manufacturers (IDMs), foundries, fabless, fab-lite, and IP design houses.

ALLIED MEMBER

Organizations that are not-for-profit research, education, advocacy, or regulatory services, including libraries, consortia, and academic institutions.

AFFILIATE MEMBER

Includes companies that provide products and services to facilitate development of the ecosystem, but are not specific to, or a part of, the manufacturing supply chain. Examples include publishers, freight forwarders, and financial institutions.

* The Corporate Category is the only category that provides leadership opportunities including voting privileges for all Corporate members and potential participation on the SEMI Board of Directors.

** A “start-up” company is defined as one which has been in business for less than three years, is not yet profitable, and is not publicly traded. For above categories, membership benefits are available to the company, any wholly-owned subsidiaries, and all employees.
