July 26-30, 2023

*Embracing Asian Dynamics*

# Invest for 2024 and Beyond

Peter Kurz, CSO of QIC International

[Register Now](#)

*Early Bird ends 19th June*

The Asian biotech and healthcare sector demonstrated resilience and even growth over the 2022 market downturn significantly outperforming the main indices in markets across the greater Asian region.

This session has assembled top Asian investment bankers and financial professionals to discuss capital funding strategies and future opportunities and challenges for the biotech industry across Asia.

*Insight from*
