

MEMS & IMAGING SENSORS SUMMIT

NOV 14, 2024
MUNICH, GERMANY

Why Attend the Summit?

MEMS & Imaging Sensors Summit 2024 **Sensor Revolution For A Connected Future**

- We are **moving to Munich** in November to **co-locate** with **SEMICON EUROPA**
- Our venue, the **International Conference Center (ICM)** provides more **Networking, Connections, and Opportunities**
- Join the discussion of **rapid advancement in manufacturing, utilization of AI/ML and data fusion, and integration of MEMS and Image Sensors**
- Are you involved in **product development** for **manufacturing, testing, integration or design?**

Agenda Highlights

MEMS & Sensors
Industry Update

Challenges &
Opportunities –
Automotive MEMS

Semiconductor
Shortages

Mixed - Reality Future

Advancement in
CMOS Foundry

Sustainable Future

Latest & Future MEMS
Trends

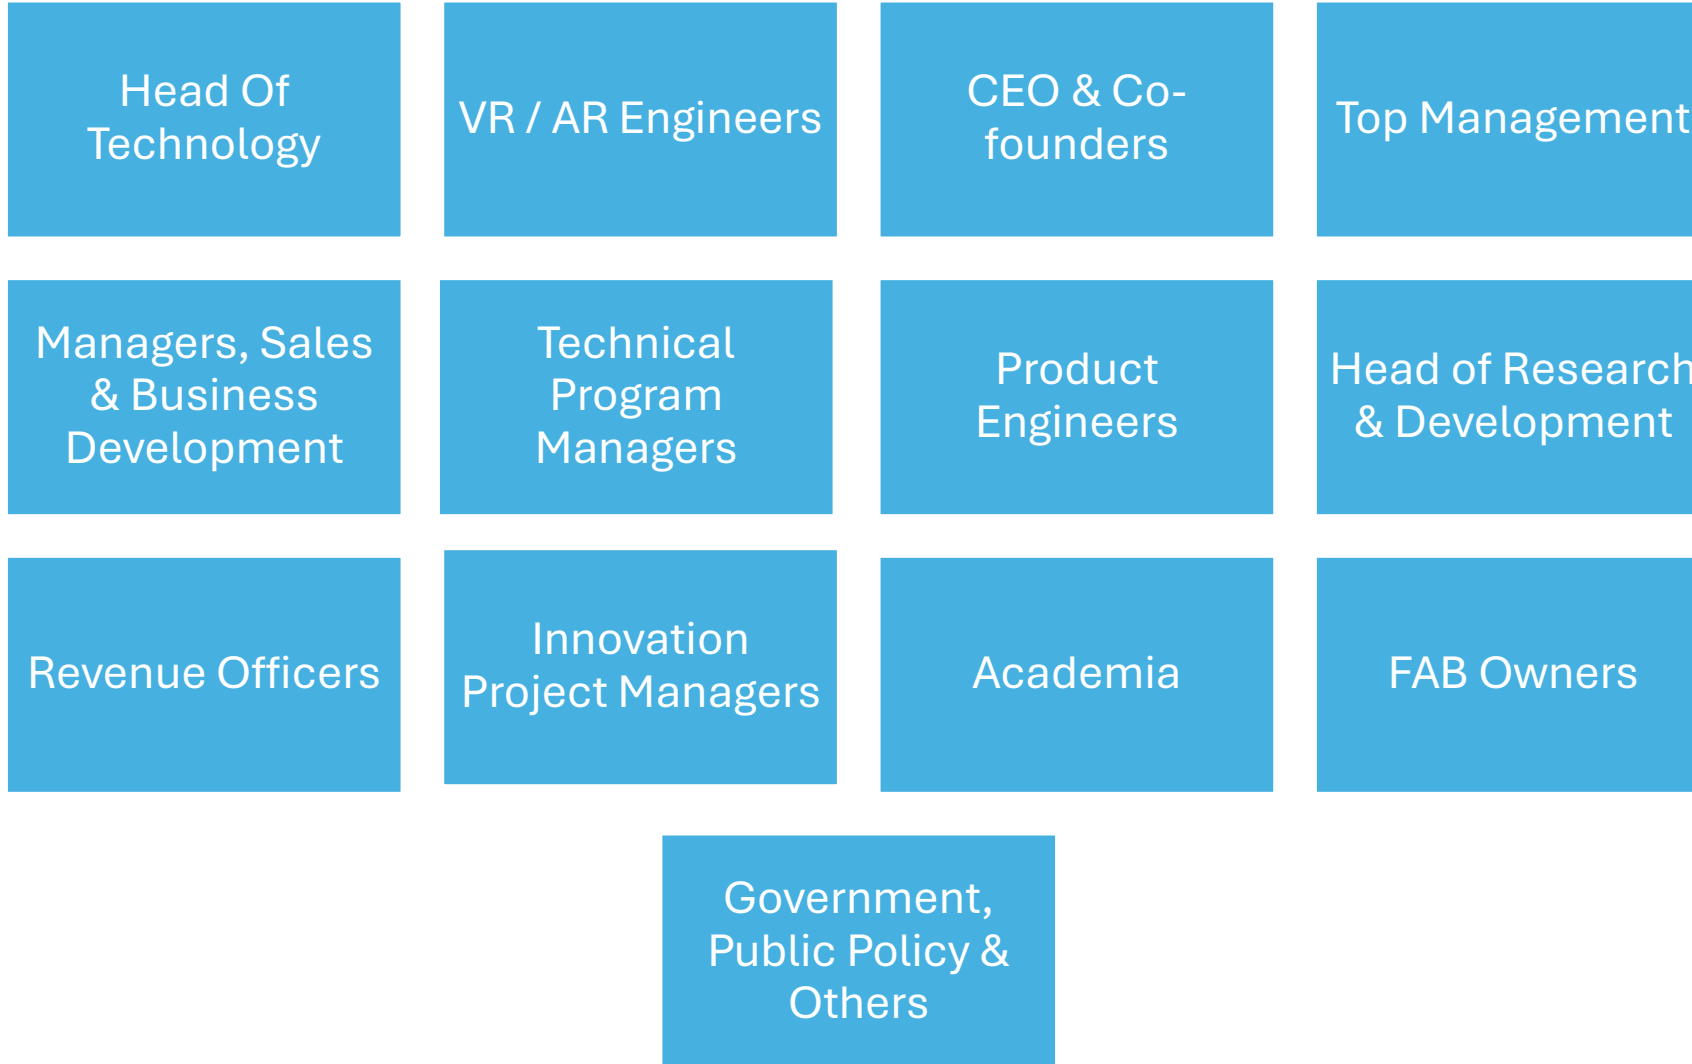

Medical Imaging

Thought Leadership
Panels

Networking Sessions

Innovations for Next
Gen-Application

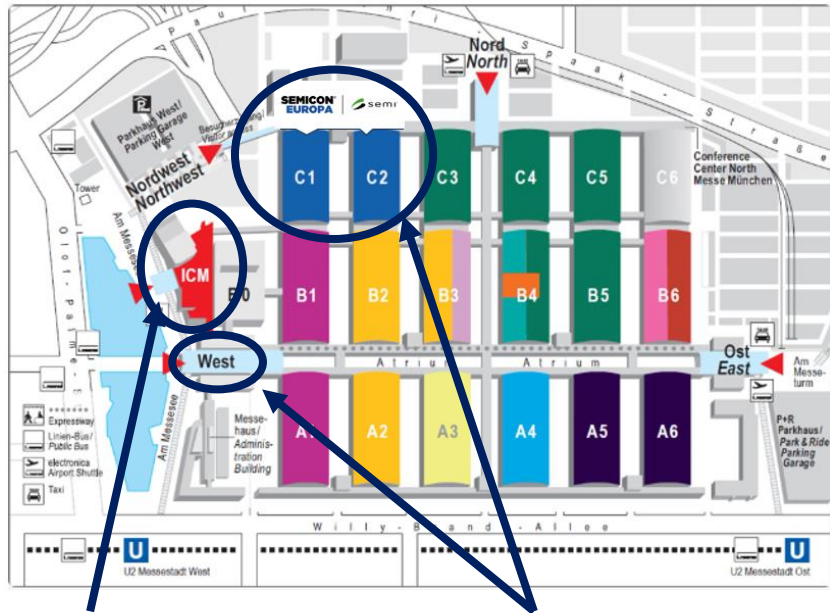

Target Audience

Venue & Exhibition Map

Fair Ground - ICM Conference Hall - Exhibition & Catering

Exhibition

Booth Features

- **Booth Space:** 2 x 2 meters of turnkey booth space.
- **Illuminated Graphic Panel:** 2.5 m high; print production included
A visually striking backdrop to showcase your brand or product.
- **High Table and Chairs:** A relaxed area for networking and discussions.
 - Furniture & TV screen rental available
 - Power Socket: Triple extension socket for device connectivity.
 - Trash Bin: Keep things tidy and eco-friendly.

Booth rate	Turnkey Price
Member rate	1.850 €
Non-Member rate	2.250 €

Exhibition

Booth Benefits

- **1 complimentary conference ticket** with access to all plenary sessions, exhibition, lunches, and proceedings.
- **1 additional discounted conference ticket** at a 20% discount.
- **2 SEMICON Europa Visitor tickets (four-day show pass).**
- Special **cloakroom** access for two event days, Thursday & Friday.
- Complimentary **Wi-Fi Access.**
