

## BIOGRAPHY

Global Semiconductor Market Insight Forum 2026

**Name: Calvin Yong**

**Title/ Position: Regional Director - Southeast Asia, India, Oceania**

**Company: Yole Group**

Calvin Yong is Regional Director for Southeast Asia, India, and Oceania at Yole Group, leading business development and strategic engagement across ASEAN, India, Australia, and New Zealand. He supports the growth of Yole Group's market intelligence, technology and cost analysis, and corporate advisory services throughout the region. With extensive experience in consulting, advanced materials, and consumer technology industries, Calvin has held senior leadership roles driving business growth and market expansion across Asia Pacific.

Before joining Yole Group, he led commercial and business development initiatives in the electronics sector, including the deployment of advanced coating technologies for consumer, automotive, medical, telecommunications, and aerospace applications.

A frequent industry speaker, Calvin regularly shares insights on semiconductor market trends, advanced packaging, and automotive electronics. Most recently, he was the guest speaker at the KPCA 2025 Show in Songdo Korea and at the World New Energy Vehicle Congress 2024 in Haikou China. He holds an MBA from the University of Leicester U.K. and a Bachelor of Science in Finance from Queen's University Belfast U.K.
