

SEMI AUX001-0626 LIST OF WAFER SUPPLIER IDENTIFICATION CODES

NOTE: The material in this Auxiliary Information is referenced by SEMI Standards in the Materials and Traceability volumes. It replaces Appendices in SEMI M12, SEMI M13, and SEMI T5.

The codes listed in Table 1 and Table 2 are included for the convenience of the industry and are maintained by SEMI. Changes or additions to this table are the responsibility of the company listed, and should be addressed to:

Standards Coordinator, Materials Committee
SEMI
673 S. Milpitas Blvd.
Milpitas, CA 95035

Please note that some companies listed no longer exist. These tables are frequently updated.
