

SEMI GLOBAL UPDATE

April 28, 2026

What's New at SEMI

Public Policy and Global Advocacy

SEMI Europe Highlights Six Key Policy Recommendations to Optimize the Chips Act 2.0

"Research and product development, chip design, equipment, materials, fabrication and advanced packaging...", said Laith Altimime, President of SEMI Europe.

Expositions

SEMIEXPO Heartland 2026 Spotlights Innovation in Automotive Electronics and Smart Manufacturing

"By bringing together the automotive and semiconductor ecosystems in Detroit—a hub for innovation...", said Joe Stockunas, President, SEMI Americas.

Conferences

ASMC Spotlights Practical Strategies for Overcoming Today's Biggest Manufacturing Challenges

During ASMC, leaders will tackle manufacturing challenges in advanced materials, big data, process control, wafer-level processing, and yield optimization.

Smart Mobility

LinkedIn Live Replay: From Satellites to Sedans

Watch the interview where General Motors' Technical Fellow, Curtis Hay, shares insights into the unseen technology that makes autonomous vehicles possible.

Workforce Development

Bridging the Next Generation of Semiconductor Talent Through a Globally Connected Workforce

"Through international collaboration and industry-academia engagement, SEMI aims to enable ...," said Terry Tsao, Global CMO and President of Taiwan, SEMI.

Conferences

SEMI ISS Europe 2026: Navigating Geopolitics and Shaping Europe's Semiconductor Future

Leaders from across the semiconductor ecosystem assessed a rapidly shifting global landscape to define Europe's path toward greater competitiveness.

Workforce Development

Engineering the Future of Chips: David Coenen on Photonics and Thermal Innovation

imec's David Coenen demonstrates the curiosity, resilience, and commitment to excellence that define the next generation of semiconductor researchers.

Upcoming Events/Webinars

- | | |
|---------|--|
| Apr 30 | Pacific Northwest Breakfast Forum
Hillsboro, Oregon Pacific Daylight Time |
| May 5-7 | SEMICON Southeast Asia
Kuala Lumpur, Malaysia Singapore Standard Time |
| May 6 | Arizona Breakfast Forum
Chandler, Arizona Mountain Standard Time |
