

SEMI GLOBAL UPDATE

May 12, 2026

What's New at SEMI

Market Intelligence
Global Semiconductor Materials Market Revenue Reaches Record \$73.2 Billion in 2025, SEMI Reports
Growth was supported by gains in both the wafer fab materials and packaging materials segments, reflecting higher process complexity, advanced-node...

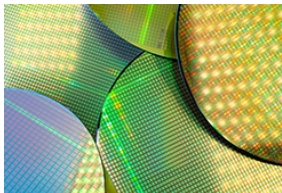

Conferences
SEMI 3D & Systems Summit to Advance Heterogeneous Systems Integration
"As heterogeneous integration, chiplet architectures, and advanced packaging redefine system performance...", said Laith Altimime, President of SEMI Europe.

Collaboration
Video: EV Group – SEMI Member Perspectives
Discover how EV Group leverages SEMI to navigate industry challenges, engage with policymakers, and collaborate across the global semiconductor ecosystem.

Sponsored Content
Webinar: Real-Time AMC Monitoring Control for Advanced Semiconductor Manufacturing
Explore real-time AMC detection across all chemical classes at pptv levels — and what it means for yield and process control in advanced fabs.

ESD Alliance
Siemens EDA's Joe Kwan on Design Team and Foundry Collaboration for Successful Chip Manufacturing
The recent ESDA Q&A featuring Kwan covers a range of topics from partner collaboration and integrated design flows to digital twins, AI and more.

Workforce Development
Building Reliable Solutions at Scale: Pascal Fasel on Engineering in Semiconductors
Comet X-ray's Pascal Fasel shares his experience on how steady progress and collaboration contribute to delivering reliable semiconductor solutions.

SEMI-Related
The Edge Malaysia: SEMI, BCG Urge Chip Industry Focus on Execution, Coordination as AI Reshapes Supply Chain
At SEMICON Southeast Asia, speakers shared insights on how AI is changing the shape of global semiconductor demand, trade flows and supply chain risk.

Upcoming Events/Webinars

- | | |
|-----------|---|
| May 14 | Texas Spring Breakfast Forum
Austin, Texas Central Daylight Time |
| May 14 | Women in Semiconductors—WIS
Albany, New York Eastern Daylight Time |
| May 18-20 | Surface Preparation & Cleaning Conference—SPCC
Chandler, Arizona Mountain Standard Time |
